I was dreaming about Heaven
I was standing at the Pearly Gates
We all there
And I was so scared in the presence of One so great
I felt so worried and unworthy
I felt like running away
I bowed my head and I turn to go
Then I heard someone say
Father, this one's with me
Part of the family
One of the reasons I died
On Calvary
Father, welcome him in
I paid the price for him
Father, oh Father, this ones with me
I was dreaming about Heaven
When I looked up the gates were opened wide
And in the distance, I saw Jesus
Our eyes met, and I began to cry
Angels robed in their beauty
Were there to show me the way
And all of Heaven singing
When I heard His voice say
Father, this one's with me
Part of the family
One of the reasons I died
On Calvary
Father, welcome him in
I paid the price for him
Father, oh Father, this one's with me
Finally, we were there face to face
And He placed on me Heaven's crown
I fell down on my knees
Laid my crown at His feet
Then He said, to me
Father, this one's with me
Part of the family
One of the reasons I died
On Calvary
Father, welcome him in
I paid the price for him

Father, oh Father, this one's with me
