Feedback blasting out my ears
Makes me so high
I love all the monitor men
But why are they alive?
The van is making me crazy
It's just like being in the navy

Doomsday, doomsday's coming 1981
But until things blow
I'm gonna have some fun
The bubble's going to explode
I probably never live to get old

But I just wanna have some fun
I probably won't see no money
I just wanna have some fun
Before they throw me in the sanitarium

Feedback blasting out my ears
Makes me so high
I love all the monitor men
But why are they alive?
Well, Monte's making me crazy
I should've signed up for the navy

Doomsday, doomsday's coming 1981
But until things blow
I'm gonna have some fun
The bubble's going to explode
I probably never live to get old

But I just wanna have some fun
I probably won't see no money
I just wanna have some fun
Before they throw me in the sanitarium
