Gonna kill and destroy  
I'm not an animal boy  
Why don't they understand  
I'm not an ape man

Don't have brain damage  
I'm not an a wild savage  
Don't push me around  
Don't bring my head down

Animal boy  
Animal boy  
Animal boy there

I'm not an imbecile  
Don't treat me like an animal  
I'm not a creature in the zoo  
Don't tell me what to do

Animal boy

Animal boy  
Animal boy there

You don't know what it's like  
But you don't know how I feel  
I don't have a monkey's brain  
I'm not an animal

You can't lock me in a cage  
This ain't the stone age  
Better get out of my way  
Somebody's gonna have to pay

Animal boy  
Animal boy  
Animal boy  
Animal boy, yeah yeah
