Any way you want it, you can call me any day
Hey hey hey
Any way you want it, you can always hear me say
Hey hey hey

It's all right, it's all right
It's all right, it's all right
It's all right, it's all right
It's all right so anyway you want it that's the way it will
be

You don't want money, you don't want a diamond ring
Hey hey hey
You say you want my lovin' more than any other thing
Hey hey hey

It's all right, it's all right
It's all right, it's all right
It's all right, it's all right
It's all right so anyway you want it that's the way it will
be

Anyway, anyway you want it, that's all right by me
Anyway, anyway you want it, that's the way it will be

Any way you want it, you can call me any day
Hey hey hey
Any way you want it, you can always hear me say
Hey hey hey

It's all right, it's all right
It's all right, it's all right
It's all right, it's all right
It's all right so anyway you want it that's the way it will
be

Anyway, anyway you want it, that's all right by me
Anyway, anyway you want it, that's the way it will be

Any way you want it, you can call me any day
Hey hey hey
Any way you want it, you can always hear me say

Hey hey hey

It's all right, it's all right

It's all right, it's all right

It's all right, it's all right

It's all right so anyway you want it that's the way it will
be

That's the way it will be

That's the way it will be

That's the way it will be
