He's got so many problems
You can count them one by one
He's a filthy, stupid apeman
He never has any fun

He lives in the jungle
In a cave by a hill
Plays an old loud drum
He's primitive, barely human

Apeman hop, apeman hop

Paint the face of a demon
Glowing by the fire light
Hoppin' like an elephant
Thunderin' like me tonight

He's the world's worst recycler
The iceman comes a lot
He's the devil's apprentice
He's a prehistoric man

Apeman hop, apeman hop

At night he's gonna sacrifice
His beloved apeman girl
Tie her to the alter
Pull out her heart and eat her flesh

Apeman hop, apeman hop
Apeman hop, apeman hop, apemen
