Have I ever told you
How good it feels to hold you
It isn't easy to explain

And though I'm really trying
I think I may start crying
My heart can't wait another day

When you kiss me I just gotta
Kiss me I just gotta
Kiss me I just gotta say

Baby, I love you
C'mon baby
Baby, I love you
Baby, I love, I love only you

I can't live without you
I love everything about you
I can't help it if I feel this way

Oh, I'm so glad I found you
I want my arms around you
I love to hear you call my name

Oh, tell me that you feel
Tell me that you feel
Tell me that you feel the same

Baby, I love you
C'mon baby
Baby, I love you
Baby, I love, I love only you

Oh, I'm so glad I found you
I want my arms around you
I love to hear you call my name

Oh, tell me that you feel
Tell me that you feel
Tell me that you feel the same

Baby, I love you, oh, oh, oh, oh
Baby, I love you
Baby, I love you
Baby, I love you, oh, oh

Baby, I love you
C'mon baby
Baby, I love you
Baby, I love you
C'mon baby
Baby, I love you
C'mon baby

Baby, I love you
C'mon baby
Baby, I love you
C'mon baby
Baby I love you
C'mon baby
