She says, "She's babysittin' tonight"  
She says, "Come over, it's alright"

On the couch with my special one  
But don't tell me that we won't have fun  
On the couch with my special one  
But don't tell me that we won't have fun

She says, "She's babysittin' tonight"  
She says, "Come over, it's alright"

Yeah, you know we'll have the TV on  
Aren't we glad that the folks are gone?  
Yeah, you know we'll have the TV on  
Aren't we glad that the folks are gone?

She went to see if the kids were asleep  
She says, "They're quiet except for one little creep  
We can't start kissin' and I'll tell you why  
We can't start kissin' 'cause the kid's a little spy

She says, "She's babysittin' tonight"  
She says, "Come over, it's alright"

On the couch with my special one  
But don't tell me that we won't have fun  
Yeah, you know we'll have the TV on  
Aren't we glad that the folks are gone?

She says, "She's babysittin' tonight"  
She says, "Come over, it's alright"

She says, "She's babysittin' tonight"  
She says, "Come over, it's alright"

Alright
