Got into a cab, Broadway 59, took off like a blast
Almost lost my mind, oh oh ho, cabbie's on crack

It first felt like at thrill ride, excited for a while
Got pretty scary swerving at 100 miles an hour, oh ho,
cabbie's on crack

I want to get out, out of this yellow shell
I want to get out, crack cabbie's straight from hell

And I don't wanna die before I live
Cabbie's on, cabbie's on crack

Cabbie's on crack, want my money back
Disco blasting out, stomach in my mouth, oh oh ho,
cabbie's on crack

Times Square was approaching, he braked for the light
At 90 miles an hour, flashed by, I saw my life, oh oh ho,
cabbie's on crack

I want to get out, out of this yellow shell
I want to get out, crack cabbie's straight from hell

And I don't wanna die before I live
Cabbie's on, cabbie's on crack

And I don't wanna die before I live
Cabbie's on, cabbie's on crack
Cabbie's on, cabbie's on crack

[Incomprehensible] cabbie's on crack
Cabbie's on crack, cabbie's on
