"Can't Get You Outta My Mind"

I can't get you outta my mind, oh no no
I can't get you outta my mind, oh no no

I can't get you outta my mind
I can't get you outta my mind, oh no no, oh no no no, oh

You said everything would be fine, oh no no
You said everything would be fine, oh no no
I can't get you outta my mind, oh no no no no

I can't get you outta my mind,
I can't get you outta my mind, oh no no

Well, I tried, and I tried, and I tried
I can't get you out oh, no no no
Well, I tried, and I tried, and I tried
I can't get you out, outta my mind

And I tried, and I tried, and I tried

I can't get you out, oh no no no no
And I tried, and I tried, and I tried
Can't get you out, outta my mind
Outta my mind

You said everything would be fine, oh no no
You said everything would be fine, oh no no no no

I can't get you outta my mind
I can't get you outta my mind, oh no no
Oh no no, oh no no, oh yeah

Oh no no, oh no no
Oh no no, yeah
Oh no no, oh no no
Oh no no, yeah
