Wondering what I'm doing tonight  
I've been in the closet and feel all right  
Ran out of carbana, Mom threw out the glue  
Ran out of paint and roach spray too

It's TV's fault why I'm this way  
Mom and Pop wanna put me away  
From the early morning movie to the late late show  
After it's over, nowhere to go

And I'm not sorry for the things I do  
My brain is stuck from shooting glue  
I'm not sorry for the things I do, do  
Carbana not glue, carbana not glue

Wondering what I'm doing tonight  
I've been in the closet and I feel all right  
Ran out of carbana, Mom threw out the glue  
Ran out of paint and roach spray

It's TV's fault why I'm this way  
Mom and Pop wanna put me away  
From the early morning movie to the late late show  
After it's over, nowhere to go

Carbana not glue, carbana not glue  
Carbana not glue, carbana not glue  
Carbana not glue, carbana not glue
