Endless vacation, endless vacation  
Endless vacation, endless vacation

I kill myself I kill the pain a suicide death  
A suicide game my skull he's bleaching  
In the dust my rage turns to insane lust

All depressed all alone I drift into the  
Danger zone deadly smitten cobra life of crime  
I want revenge I want what's mine

Endless vacation, endless vacation  
Endless vacation, endless vacation

Like takin' Carrie to the high school prom  
Something always goin' wrong hair trigger temper

Tormented mind deadly smitten cobra I am the losin'  
kind

The heart is the place devils congregate when you're  
Raised on an diet of bickering at hate hair trigger  
Temper tormented mind deadly smitten cobra  
I am the losin' kind

1, 2, 3, 4  
Hey, hey, hey

Endless vacation, endless vacation  
Endless vacation, endless vacation

Endless vacation, endless vacation  
Endless vacation, endless vacation
