She was a really good friend
A really good friend to me, yeah
She was a really good friend
A really good friend to me, yeah

But they took her away
Tossed her in the bin
Now she's hangin' out
In East Berlin, ooh

She had a very bad affair
With some cat from Hiroshima
She turned into a head of lettuce
She eats Thorazine in her farina

But they took her away
Tossed her in the bin
As she's hangin' out
In East Berlin, ooh

And every time I eat vegetables
It makes me think of you
And every time I eat vegetables
I don't know what to do, to do, oh yeah

She had a very bad affair
With some cat from Hiroshima
She turned into a head of lettuce
She eats Thorazine in her farina

But they took her away
Tossed her in the bin
As she's hangin' out
In East Berlin, ooh, poor fella

And every time I eat vegetables
It makes me think of you
And every time I eat vegetables
I don't know what to do, to do, oh yeah

She was a really good friend

A really good friend to me, yeah
She was a really good friend
A really good friend to me, yeah

They took her away
Tossed her in the bin
Now she's hangin' out
In East Berlin, ooh
