Sinkin' into the stars
Divin' in for a swim
Soarin' like a superhero
Past the end of Disneyland

Through dragon mist
Above alpine peaks
To the cloudy lace
To the highest trails above

I feel so safe, I feel content
Send you all my love

Southern winds, shinin' rays
Are all I need for flight
Flyin' way past hero
Paradise is just a sight

Through the distant blue
Above the highest stars
To the silent dark
Send you all my love

I feel so safe flyin' on a ray
On the highest trails above

Sinkin' into the stars
Divin' in for a swim
Soarin' like a superhero
Past the end of Disneyland

Every wish comes true
Most desired dreams
Happy endings too
Finally you find love

I feel so safe flyin' on a ray
On the highest trails above
