I can't be, do what you want with me
I can't be, do what you want with me
I can't be, do what you want with me
I can't be, do what you want with me

Now you say you wanna live with me
One-two-three, you wanna have a family
Now you say, you wanna do my laundry
I can't be, do what you want with me

I can't be, do what you want with me
I can't be, do what you want with me
I can't be, do what you want with me
I can't be, do what you want with me

I can't be, do what you want with me
I can't be, do what you want with me
I can't be, do what you want with me
I can't be, do what you want with me
