I can't stand still 'cause you've got me goin'
Your slacks are low and your hips are showin'
I take you girl as you're standin' there
Your low cut slacks and your long black hair
Don't want you goin' round with no one else
'Cause when I'm with you I can't control myself

Defenses down and you got me shakin'
You got me so that my nerves are breakin'
If you knew me like I know you girl
Your knees would bend and your hair would curl
You make me move, yeah, like no one else
'Cause when I'm with you I can't control myself

I've got this feeling that's inside of me
It makes me think of how things used to be
It makes me feel alright
When I'm with you at night and we love, and we love

You thrill me so with this big temptation
This kind of feelin' could move a nation
And I'm okay when I'm here with you
I do the things that you want me to
I do these things for no one else
'Cause when I'm with you I can't control myself

I can't control myself
I can't control myself
I can't control myself
I can't control myself
I can't control myself, baby
