Went to my girlfriend yesterday
The only thing I wanted to say
Is little girl, won't you come out and play, yeah

Told that girl, "Surrender to me
Take your love and send it to me
Come on, baby can't you see it's you, yeah, baby"

I need your love, I need your love
I need your love, tonight
I need your love, I need your love
I need your love, tonight

Ah, you took a walk with me
And then you took a hold of my hand
And I knew it was going as planned, yeah, baby

I need your love, I need your love
I need your love, tonight

Ah, you took a walk with me
And then you took a hold of my hand
And I knew it was going as planned, yeah, baby

I need your love, I need your love
I need your love, tonight
I need your love, I need your love
I need your love, tonight

I need your love, I need your love
I need your love, tonight
I need your love, I need your love
I need your love, tonight

I need your love, I need your love
I need your love, tonight
