To our fans far and near, we're so glad you could all be here

And when life gets, oh oh, so hard
You make it all worthwhile, screaming, shouting,
wham-slam-bam
That wild head banging style

This is dedicated to our fans across the world
You're the best, most loyalist and that's for sure
When life gets, oh, so frustrating you make it all worthwhile
Gonna have some fun tonight ain't it great to be alive

It's gonna be okay
It's gonna be alright
It's gonna be that
You're the only ones who understand

It's gonna be okay
It's gonna be alright
It's gonna be that
You're the only ones who understand

Got good feelings about this year
All is very well, C.J. is here
'92 spells more fun, let's get into gear
It's the year of the monkey, gonna be real funky
Buy yourself a beer

It's gonna be okay
It's gonna be alright
It's gonna be that

You're the only ones who understand

Gonna be okay
It's gonna be alright
It's gonna be that
You're the only ones who understand

It's gonna be alright
It's gonna be alright

It's gonna be alright

It's gonna be okay, yeah, yeah

It's gonna be alright, uh huh

It's gonna be that

You're the only ones who understand

It's gonna be okay, yeah, yeah

It's gonna be alright, uh huh

It's gonna be that

You're the only ones who understand

Who understand, yeah, yeah, yeah

It's gonna be alright, yeah, yeah, yeah

It's gonna be okay, yeah, yeah, yeah

It's gonna be alright, yeah, yeah, yeah

It's gonna be alright
