Next time, listen to my heart
Next time, well I'll be smart
Next time, I'll listen to my heart
Next time, well I'll be smart

Next time, listen to my heart
Next time, well I'll be smart
Next time, I'll listen to my heart
Next time, well I'll be smart

That girl could still be mine
But I'm tired of the hurt
Tired of tryin', tired of the pain
Tired of tryin', tired of cryin', yea

Next time, listen to my heart
A next time, well I'll be smart
A next time, I'll listen to my heart
A next time, aoo, well I'll be smart

That girl could still be mine
(Yea)
But I'm tired of the hurt
Tired of tryin', tired of the pain
(Yea)
Tired of tryin', tired of cryin'
(Yea)

Next time, listen to my heart
A next time, well I'll be smart
Next time, I'll listen to my heart
A next time, well I'll be smart

Next time, listen to my heart
A next time, well I'll be smart
Next time, I'll listen to my heart
A next time, well I'll be smart
