When I start movin', you see a blur
Get hooked on me, baby, there ain't no cure
I've always been able to laugh at fate
Two brown eyes filled with hate

I'm the man who makes the street his home
And my lean mean heart is just as hard as stone

Oh, I'm my main man
Don't want nothin' from no one
I'm my main man
Always ready for what ever's gonna happen

Spend my time in a cold jail cell
Shootin' up poison an' livin' in Hell
And I never care what people think
My history's written on me in tattooed ink

And still life goes on, tracks on my arms
And the number thirteen is my good luck charm

Oh, I'm my main man
Don't want nothin' from no one
I'm my main man
Always ready for what ever's gonna happen, alright

What happens to me is my own affair
If you don't like me, I really don't care
'Cause no one's been what I've been through
An' I don't do what people want me to do

I'll fight you till the bitter end
An' then I'll screw your little girlfriend

Oh, I'm my main man
Don't want nothin' from no one
I'm my main man
Always ready for what ever's gonna happen

Yeah, I'm my main man
Don't want nothin' from no one
I'm my main man

Always ready for what ever's gonna happen
Look out
