Evil in my head, in my head, inside this private hell I'm  
not feeling very well

I'm not feeling very well

Frustration, disgust, aggravation, disgust, mental hell  
I'm not feeling very well

I'm not feeling very well

Day, day after day, it never changes, always the same  
way  
Day after day, day after day, day after

Demons in my head, in my head, inside this private hell  
Oh yeah, oh yeah I'm not feeling very well

I'm not feeling very well

Frustration, disgust, aggravation, disgust, mental hell  
Oh yeah, oh yeah I'm not feeling very well

I'm not feeling very well

Day, day after day, it never changes, always the same  
way  
Day after day, day after day, day after

Do do do do Do do do do Do do do do Do do do do Do
