Oh when I saw you on 8th street  
You could make my life complete  
Baby yeah, yeah, yeah  
You're my-my kind of a girl

And when I saw you by the jukebox, ooo  
You put a quarter in and played my favorite song too  
Baby yeah, yeah, yeah  
You're my-my kind of a girl

I think we'd look pretty good together  
Walking through a winter wonderland  
And this time I think it's forever  
I hope your parents understand

When I saw you by the Peppermint Lounge  
You were lost but you've been found  
Baby yeah, yeah, yeah  
You're my-my kind of a girl

And when I saw you by the jukebox, ooo  
You put a quarter in and played my favorite song too  
Baby yeah, yeah, yeah  
You're my-my kind of a girl

I think we'd look pretty good together  
Oh walking through a winter wonderland  
And this time I think it's forever  
I hope your parents understand  
My-my my-my my-my kind of a girl

When I saw you on 8th street  
You could make my life complete  
Baby yeah, yeah, yeah  
You're my-my kind of a girl

And when I saw you by the jukebox, ooo  
You put a quarter in and played my favorite song too  
Baby yeah, yeah, yeah  
You're my-my kind of a girl  
You're my-my kind of a girl  
You're my-my kind of a girl
