I'm an outsider outside of everything
I'm an outsider outside of everything
I'm an outsider outside of everything
Everything you know, everything you know
It disturbs me so

I'm an outsider outside of everything
I'm an outsider outside of everything
I'm an outsider outside of everything
Everything you know everything you know
It disturbs me so

Everybody tried to push me push me around
Everybody tried to put me, try to put me down

All messed up, hey everyone

I've already had all my fun
More troubles are gonna come
I've already had all my fun
Oh yeah yeah yeah

Everybody tried to push me push me around
Everybody tried to put me, try to put me down

I'm an outsider outside of everything
I'm an outsider outside of everything
I'm an outsider outside of everything
Everything you know everything you know
It disturbs me so
