Last night I took a walk in the dark
To a place called Palisades Park
To have some fun, to see what I could see
That's where the girls are

I took a ride on the shoopty shoop
The girl I sat with almost, almost puked
And when it stopped
She was holding hands with me

My arms were flying up like a rocket ship
Down like a roller coaster
Fast like a loopy loop
Then around like a merry-go-round

We even ate at a hot dog stand
Slam danced to a rockin' band
And when she winked, I gave that girl a hug
In the tunnel of love

You'll never know how good it just can feel
'Til it stops at the top of the Ferris Wheel
I fell in love, down at Palisades Park

Oh, I fell in love, down at Palisades Park

Yeah, yeah, yeah
Down at Palisades Park
Yeah, yeah, yeah
When at Palisades Park

Down at Palisades Park
Palisades Park
I'm at the Palisades Park
Palisades Park
