No one ever thought this one would survive
Helpless child, gonna walk a drum beat behind
Lock you in a dream, never let you go
Never let you laugh or smile, not you

Well, I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart

Making friends with a homeless torn up man
He just kind of smiles, it really shakes me up
There's danger on every corner but I'm okay
Walking down the street, trying to forget yesterday

I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart

A poison heart
A poison heart
A poison heart, yeah

You know that life really takes its toll
And a poet's gut reaction is to search his very soul
So much confusion before my eyes
But nothing seems to phase me, and this one still
survives

I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart

A poison heart
A poison heart
A poison heart

A poison heart

A poison heart
A poison heart
A poison heart
