Questioningly her eyes looked at me
And then she spoke aren't you someone I used to know
And weren't we lovers a long time ago?
Looked at her close forced her into view
Yes, I said, you're a girl that I once may have knew

But I don't love you anymore
Why do you want to talk to me for?
You should have just let me walk by
Memories make us cry
In the morning, I'm at work at time
My boss he tells me that I'm doing fine

When I'm going home
Whiskey bottle movie on TV
Memories make me cry
And I'm alone just me
Just me, questioningly

But I don't love you anymore
Why do you want to talk to me for?
You should have just let me walk by
Memories make us cry
In the morning, I'm at work at time
My boss he tells me that I'm doing fine

Looked at her close forced her into view
Yes, I said, you're a girl that I once may have knew
Questioningly her eyes looked at me
And then she spoke aren't you someone I used to know
And weren't we lovers a long time ago?
