She's a little lost girl in her own little world
She looks so happy but she seems so sad, oh oh yeah
Oh oh yeah
She's a little lost girl in her own little world
I'd like to help her, I'd like to try, oh oh yeah
Oh oh yeah

She talks to birds, she talks to angels
She talks to trees, she talks to bees
She don't talk to me, talks to the rainbows, and to the
seas
She talks to the trees, she don't talk to me, don't talk to
me

You know she drives me, outta my mind
You know she drives me, outta my head
You know she drives me, outta my mind
You know she drives me, outta my head

She talks to birds, she talks to angels
She talks to trees, she talks to bees
She don't talk to me, talks to the rainbows, and to the
seas

She talks to the trees, she don't talk to me

She's a little lost girl in her own little world
She looks so helpless, she looks so sad, oh oh yeah
Oh oh yeah
She's a little lost girl in her own little world
I'd like to help her, I'd like to try, oh oh yeah
Oh oh yeah

She talks to birds, she talks to angels
She talks to trees, she talks to bees
She don't talk to me, talks to the rainbows, and to the
seas
She talks to trees, she don't talk to me, don't talk to me

Don't talk to me, don't talk to me
She don't talk to me, don't talk to me
Don't talk to me, don't talk to me
