Tired of naggin' nothin's ever happens  
That's the attitude that isn't fun  
A bottle of wine, a tube of glue  
But I don't know what to do

I am just a guy who likes to rock and roll  
I am just a guy who likes to get drunk  
I am just a guy who likes to dress punk  
Get my kicks and live up my life

Tired of complaints I am ready for fun  
But I'll make friends with anyone  
Are you out there for somebody like me  
If you are, I hope that you can see

I am just a guy who likes to rock and roll  
I am just a guy who likes to get drunk  
I am just a guy who likes to dress punk  
Get my kicks and live up my life, alright

Don't go to school, don't make me laugh  
Can't hardly spell, can't do math  
In the bar or out on the street  
At the concert, at the boutique

Well, I am just a guy who likes to rock and roll  
I am just a guy who likes to get drunk  
I am just a guy who likes to dress punk  
Get my kicks and live up my life

Oh, I am just a guy who likes to rock and roll  
I am just a guy who likes to get drunk  
I am just a guy who likes to dress punk  
Get my kicks and live up my life

Oh, I am just a guy who likes to rock and roll  
I am just a guy who likes to get drunk  
I am just a guy who likes to dress punk  
Get my kicks and live up my life

Yeah, I am just a guy who likes to rock and roll  
I am just a guy who likes to get drunk
