Somebody, somebody put something in my drink,  
somebody

Another night out on the street  
Stopping for my usual seat  
Oh, bartender, please

Tanqueray and tonic's my favorite drink  
I don't like anything colored pink  
That just stinks, it's not for me

It feels like somebody put something  
Somebody put something in my drink  
Somebody put something, somebody put something

Blurred vision and dirty thoughts  
Feel out of place, very distraught  
Feel somethings coming on

Yeah I kick the jukebox, slam the floor  
Drink, drink, drink, drink some more  
I can't think, hey what's in the drink?

It feels like somebody put something  
Somebody put something in my drink  
Somebody put something, somebody put something in  
my drink

Somebody put something  
Somebody put something in my drink  
Somebody put something, in my drink  
In my drink, in my drink, in my drink

So you think it's funny a college prank  
Goin' insane for something to drink feel a little dry  
Oh I couldn't care what you think of me  
'Cause somebody put something in my drink  
I can't think, hey give me a drink

It feels like somebody put something  
Somebody put something in my drink  
Somebody put something

Somebody put something in my drink

Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink

Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink

Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink
