She went away for the holidays
Said she's going to L.A.
"But she never got there, she never got there
She never got there", they say

She went away for the holidays
Said she's going to L.A.
"But she never got there, she never got there
She never got there", they say

The K K K took my baby away
They took her away, away from me
The K K K took my baby away
They took her away, away from me

And I don't know where my baby can be
They took her from me, they took her from me
I don't know where my baby can be
They took her from me, they took her from me

Ring me, ring me, ring me up the President
And find out where my baby went
And ring me, ring me, ring me up the F B I
And find out if my baby's alive, yeah, yeah, yeah

She went away for the holidays
Said she's going to L.A.
"But she never got there, she never got there
She never got there", they say

She went away for the holidays
Said she's going to L.A.
"But she never got there, she never got there
She never got there", they say

The K K K took my baby away
They took her away, away from me
The K K K took my baby away
They took her away, away from me

The K K K took my baby away
They took her away, away from me

The K K K took my baby away
They took my girl, they took my baby away
