I'm sick to death, I'm a nervous wreck
This business is killing me, you know
This business is killing me, you know
It's really killing me, yeah

I'm sick to death, I'm a nervous wreck
This business is killing me, you know
This business is killing me, you know
It's really killing me, yeah

Oh no, oh no, oh no
Oh no, oh no, oh no
Oh no, oh no, oh no, oh no
This business is killing me and so they say

Run around, run around
Love giving you the run around
It really makes you crazy
Run around, run around
Love giving you the run around

Oh no, oh no, oh no
Oh no, oh no, oh no
Oh no, oh no, oh no, oh no
This business is killing me and so they say, yeah

You work, you work, you write all night
Until the early morning light
Can't please all the people all the time
All the people all the time
But then they don't please me

Well, I can't take it no more
No, I can't take it no more

Run around, run around
Love giving you the run around
It really makes you crazy
Run around, run around
Love giving you the run around

Oh no, oh no, oh no

Oh no, oh no, oh no
Oh no, oh no, oh no, oh no
This business is killing me and so they say, yeah

You work, you work, you write all night
Until the early morning light
Can't please all the people all the time
All the people all the time
But then they don't please me

Well, I can't take it no more
No, I can't take it no more
No, I can't take it no more
No, no, no, no, no, no more

No, I can't take it no more
No, I can't take it no more
No, I can't take it no more
