Mama, where's
Your little daughter?
She's here, right here
On the altar

You should never
Have opened that door
Now you're never
Gonna see her no more

You don't know
What I can do with this axe
Chop off your head
So you better relax

You should never
Have opened that door
Now you're never
Gonna see her no more

You should never
Have opened that door
Now you're never
Gonna see her no more

Mama, where's
Your little daughter?
She's here, right here
On the altar

You should never
Have opened that door
Now you're never
Gonna see her no more

You don't know
What I can do with this axe
Chop off your head
So you better relax

You should never
Have opened that door

Now you're never
Gonna see her no more

You should never
Have opened that door
Now you're never
Gonna see her no more

Opened that door, opened that door
Opened that door, opened that door
Opened that door, opened that door
Opened that door, opened that door
Opened that door, opened that door
