Well, I can't understand
Anything about you
Help you if I can
What can I do

And here's your new home
That's where you must be
In the institution
'Cause you're so lazy

But if you must act up
Again and again
Well, everybody knows
You're a hopeless problem

Here's your new home
That's where you must be
In the institution
'Cause you're so lazy

You sound like you're sick
You look like you're sick too
You sound like you're sick

But if you must act up
Again and again
Well, everybody knows
You're a hopeless problem

And here's your new home
That's where you must be
In the institution
'Cause you're so lazy

You sound like you're sick
You look like you're sick too
You sound like you're sick

Well, I can't understand
Anything about you
Help you if I can
What can I do

And here's your new home
That's where you must be
In the institution
'Cause you're so lazy

You sound like you're sick
You look like you're sick too
You sound like you're sick
You look like you're sick too
Well, you sound like you're sick
You sound like you're sick
