It landed in a field in Idaho
Where it came from, I don't know
It did not look like it came from Japan
And out of the dark walked a strange man

If you think it's a pack of lies
I saw it happen with my own eyes
A million miles from the Milky Way
A hundred years, a month and a day

Zero, zero, UFO
Zero, zero, UFO

When media writes, the neon lights
Spaceship travels at the speed of light
A million stars in the sky
I here the queen's on the alien's side

If you think it's a pack of lies
I saw it happen with my own eyes
A million miles from the Milky Way
A hundred years, a month and a day

Zero, zero, UFO
Zero, zero, UFO, hey

Zero, zero, UFO
Zero, zero, UFO
Zero, zero, UFO
Zero, zero, UFO, hey
