Warren G top dog patrollin the beach,
Niggaz say they as hard as bitch,
But they're as soft as a peach,
Claimin the G of all G's,
Please, I come blowin through like the breeze
Sittin on trees, post it, coastin mashing down
Pacific Coast and the bomb chrome
Rims black on black Yukon
With nuts hangin' from the city,
Where the bangers is being banging
It dont seem like shit is changing,
I holla'd at the homey the other day,
G'd up at the park sippin ?lisah,
One of the homeys took a beaten
So now we spend at being a gang
Of checking at the meetin like cycles repeatin,
It's just another sunset fall in sea,
I can hear the homeys in the past callin me,
And you know what I discovered,
What they keep saying,
Keep your mind on your money
Muthafuckers and shake busters

Have you ever sold millions?
But yet you niggaz persist to talk shit,
Get off my dick, you never catch me slipping
Rollin with the heat, slap the clip in
I never thought the world would started trippin
My life is a trip, though hit the cr'p though
Blow the whistle, they think I bang
So I packed a pistol
Warren to tha G is a G
I don't fuck with you nigga
So don't fuck with me
Let's ride to the Eastside
Slide like a fo*, I packs a fo-fo
When I'm steppin out doors

To the bang to the buggy
If I speak then I spoke
Warren G do it every time till ya low
Get the party hit like blaze and smoke
The Eastside and the beach,
West side of the coast,
You know the niggaz that I ride with
Hogs, attack dogs,
The same niggaz I'm down to die with
Muthafucka

Who's the man?
I've been from London to Japan
Stomp land to land to the Egyptian sands,
You can't check me, disrespect me
Or mop me up
With the bass bumpin' out my truck,
And all these police trying to lock me up,
Money rules the world
And I made the loot,
So don't make me shoot
Cuz trying to mash
Will get you done every time,
I ain't trying to hurt nobody
But I'm down for mine

Money over power, power over money,
Money over power,
Bitch, bitch
