I can't go along with it  
You can say just what you like  
But you still did it  
You backtrack and change your act  
At a hundred lies a minute  
But fool as I am I won't go along with it

Am I confused, am I a crazy person  
You say it's old news  
She doesn't mean nothing  
But don't you understand that I am heartbroken  
No matter what you do  
You just can't make it untrue

You're breathing lies  
I want to believe in  
When i'm watching walk out the door  
I could fall through the floor

But I can't go along with it  
You can say just what you like  
But you still did it  
You backtrack and change your act  
At a hundred lies a minute  
But fool as I am I won't go along with it

Too much to lose and it's still raining  
I know it's not a game  
So i'll stop playing  
But oh my heart's on fire  
And it keeps burning  
And I don't mean to cry  
It's just the smoke gets in my eyes

You're breathing lies  
I want to believe in  
When i'm watching walk out the door  
I could fall through the floor

But I can't go along with it  
You can say just what you like  
But you still did it

You backtrack and change your act  
At a hundred lies a minute  
But fool as I am I won't go along with it

Let the battle drum start  
I wanna turn back the clock  
I wanna find the missing pieces  
Of the whole love I lost  
You say it like you mean it  
And I want to believe it  
Because I can't stop this feeling

But I can't go along with it  
You can say just what you like  
But you still did it  
You backtrack and change your act  
At a hundred lies a minute  
But fool as I am I won't go along with it
