Ok so I call about a thousand times  
I wait outside and I join the line  
With a million girls that are just like me ooh

I got you're name saved on my screen  
It says how much that you love me  
And I know that its not a dream

aahhhaa oooooohh yeaaaaaahh  
ahhhaa ooooh yeaaaaaahhhhhh

Its like I keep on giving with nothing in return  
just a constant burning  
Ill never learn  
But let me just fairytale that we are in love  
I'd rather live a life this way

ahhhaa ooooh yeaaaaaahhhhhh

Oh its my life anyway

I close my eyes and you kiss me  
Say how much that you miss me  
And no one compares to what we got

Then I wake up and its just a dream  
Some how I wish it was reality  
Trying to deal with the fact its not

aahhhaa oooooohh yeaaaaaahh

Its like I keep on giving with nothing in return  
just a constant burning  
Ill never learn  
But let me just fairytale that we are in love  
I'd rather live a life this way
