Isn't it amazing, what a lonely heart will have you do
Just when you think your getting wiser
Somebody comes along
And you're stuck like glue,
Isn't amazing what lonely will have you do.

He lays my flaws before me,
He said I'm blind, I can't see
He makes me feel unworthy
Shapes the rules
I'm a fool if I take the lead

But tell me someone who never lied to themselves
Who never ran through hell
Just to find love, just to hold love
And it wasn't enough
Its amazing, so amazing

Fighting suspicions
Ladies intuitions
Why, I don't need it
'Cos its not what I want to hear
So I put you on my altar
Crown you like a Sultan
And praise you for every lie that drips from your lips

Fighting suspicions
Ladies intuitions
Why, I don't need it
'Cos its not what I want to hear
So I put you on my altar
Crown you like a Sultan
And praise you for every lie that drips from your lips

What would you do?
What would you do?
What would you do?
Wasn't it enough?
Its amazing, so amazing

Fighting suspicions
Ladies intuitions

Why, I don't need it
'Cos its not what I want to hear
So I put you on my altar
Crown you like a Sultan
And praise you for every lie that drips from your lips

And he pulls you down
And he pulls you down

Isn't it amazing what a lonely heart will have you do
Just when you think your getting wiser
Somebody comes along
And your stuck like glue

Isn't amazing what my lonely heart will have me do
