"Like A Star"

Just like a star across my sky
Just like an angel off the page
You have appeared to my life
Feel like I'll never be the same
Just like a song in my heart
Just like oil on my hands
Honor to love you
Still i wonder why it is
I don't argue like this
With anyone but you
We do it all the time
Blowing out my mind
You've got this look i can't describe
You make me feel like I'm alive
When everything else is a fade
Without a doubt you're on my side
Heaven has been away too long
Can't find the words to write this song
Oh... Your love
