hey when you get tired
when you're waiting for a train
when nothing's exciting you
i'm probably thinking about you then

every time you cross my mind
you're like a prayer, a precious sign, sign, sign, sign!

hear my prayer now
just say the word and i could be there now
oh i say my prayer now
just give me time and i will be there now

oh, you're too good to lose
you're too good to lose
you're too good to lose
you're too good to lose

hey i lost my phone
it must have fallen out in the street
maybe you called and i didn't pick up
and if you wondered that's all it means

all i touch and all i see
i give it up so freely

hear my prayer now
just say the word and i could be there now
oh i say my prayer now
just give me time and i will be there now

hear my prayer now
just say the word and i could be there now
oh i say my prayer now
just give me time and i will be there now

oh, you're too good to lose
you're too good to lose
you're too good to lose
you're too good to lose
[repeat]

i'll be there when you get lost,
when you need somebody,
keep your name on my heart, because
because

hear my prayer now
just give me time and i will be there now
oh i say my prayer now
just say the words and i could be there now

oh, you're too good to lose
you're too good to lose
you're too good to lose
you're too good to lose
[repeat]
