(Babu Scratching and Mixing)

"You got light.. don't wait till its dark to as questions"

[Hook #1 - Iriscience]

You should check the signs, symbols, hits, clues,

The writings on the wall but it's up to you

Expansion Team Dilated Peoples Crew

"What you wanna do is watch for clues"

You should check the signs, symbols, hits, clues,

The writings on the wall but it's up to you

Expansion Team Dilated Peoples Crew

And If you still don't know, this is how we do

[Hook #2 - Iriscience and (Evidence)] X2

There ain't nothing as bright (as heavy) as light

(as dark) as night (as set to strike)

As ready (as right) as loose (as tight) as quick to
expand

As we on the mike

[Verse #1 - Iriscience]

If it was a snake it would have bit ya'

Slithered up like a boa-consticta and griped ya'

Step back and beat the big picture

These cats as though in my head

I charge the mound just to get the picture

Bitch clearest specialist better hit ya'

But never miss ya'

Y'all need to double check the scripture

Deco, Deco, unload, reload

Pressin' heights Peco, live like Steve Boko

Piss on trees and leave marks to graffiti

Even gang graffiti though I'm for the peace treaty

Frustrated cats we hussle but still needy

And whistle like Twity when we see the LAPD

We going four for score for the prize

You need to see with more than your eyes

It's war in disguise

Tanfa callas are vagrants

This goes for every agent

Some are camouflaged others are very blatant

[Hook #1 - Iriscience]
[Hook #2 - Iriscience and (Evidence)] X2

[Verse #2 - Evidence]
Se keep your torch lit, light your flares, have back ups
prepared
Wait for the enemy, war is declared
Expansion Team Theme music anthem
Got coloured schemes hot, peak lovers red at random
Up close and personal, songs from my journal
My lyrics are the ink, my reflection is eternal
These words are powerful, so hard to describe
Type to raise eye brows and open eyes
But what we did, get your hands dirty, fingers dusty
I've been around the world, you haven't, you could trust
me
Line them up, knock them down,
Keep them cocked, beats and vocals
If you fuck with these locals catch ghost busters logo
Channel zero
Separate suckers from heroes, recorded digital Bobby
Deniro
Load your base bags, put on your gloves, lace the
shoes
Keep your eyes open for signs and ears open for clues
