Our lives were spinning in a hopeless situation  
Livin' in a fallen world without hope for change  
But Heaven heard our cries and that's why Jesus came  
Now it's up to us to give His love away

Let's take the hope of Christ, lift it up and hold it high  
Because hope changes everything  
Let's take this faith we wear, to hurting people  
everywhere  
Because hope changes everything

No matter how dark or troubled  
Someone's life may seem  
I do believe with all my heart  
That hope changes everything

Every time I see someone who's feelin' helpless  
Every time I hear another desperate plea  
I'm reminded of the place where He found me  
There's no one that's gone too far for Him to reach

Let's take the hope of Christ, lift it up and hold it high  
Because hope changes everything  
Let's take this faith we wear, to hurting people  
everywhere  
Because hope changes everything

No matter how dark or troubled  
Someone's life may seem  
I do believe with all my heart  
That hope changes everything, yeah

God has placed inside of us  
An everlasting hope  
And it's up to each of us to go

Let's take the hope of Christ, lift it up and hold it high  
Because hope changes everything, yeah  
Let's take this faith we wear, to hurting people  
everywhere  
Because hope changes everything

No matter how dark or troubled  
Someone's life may seem  
I do believe with all my heart  
Hope changes everything  
Hope changes everything  
Hope changes everything

Because hope changes every little thing, yeah  
Because hope changes everything, yeah
