"Sheltering Tree"

It's been said a friend is like a mighty sheltering tree
A place of refuge we can run when trouble comes for
you and me
Someone we can count on through the thick and thin
When the storms of life are blowing, there's
Just nothing like a friend
(There's just nothing like a friend)

We all need sheltering trees
Friends in our lives who'll get down on their knees
And lift us up before the king of kings
We all need sheltering trees

There've been days that I was sure that I couldn't make
it through
Clouds of doubt came rolling in and I didn't know what I
would do
I would've given in and said I just can't go on
If it hadn't been for a friend that helped me to be
strong
(Helped me to be strong)

We all need sheltering trees
Friends in our lives who'll get down on their knees
And lift us up before the king of kings
We all need sheltering trees

You can face the highest mountain and
The climb won't feel so high
Or cross the darkest valley and it won't seem so wide
Nothing is impossible when a friend is by your side

We all need sheltering trees
Friends in our lives who'll get down on their knees
And lift us up before the king of kings
We all need sheltering trees

We all need sheltering trees
Friends in our lives who'll get down on their knees
And lift us up before the king of kings
We all need sheltering trees
