I was dreaming about heaven  
I was standing at the pearly gates,  
We were all there  
I was scared in the presence of one so great  
i felt so worried and so scared  
i felt like running away.  
I bow my head and i turn to go  
Then i heard someone say,  
Father this ones with me  
part of the family,  
one of the reasons i died  
on calvary  
Father vwelcome him in  
i paid the price for him  
Father oh Father  
This ones with me  
I was dreamin bout heaven  
When i looked up the gates were open wide  
In the distance i saw jesus  
And i began to cry  
Angels robed in their beauty  
were there to show me the way  
And all of heaven singin  
When i heard his voice say  
Father this ones with me  
part of the family  
one of the reasons i died  
On calvary  
Father welcome him in  
I paid the price for him  
Father oh, Father  
this ones with me  
Finnally we were there Face to Face  
And he placed on me heavens crown  
I fell down on my knees  
laid my crown at his feet  
Then he said to me  
Father this ones with me  
Part of the family  
One of the reasons i died  
on calvary  
Father welcome him in

I paid the price for him  
Father oh, Father..... This ones with meee.....
