Almighty God
Lord of all creation
Ancient of days
The Holy One
So many names You've given us to call You
But one remains
Your favorite name

[Chorus]
Your favorite name is Father
You love to hear Your children calling
You're there to catch us when we're falling
Your favorite name is Father

Eternal King
Alpha and Omega
Jehovah God
The mighty One
So many names You've given us to call You
But one remains
Your favorite name

[Bridge]
Abba Father
Holy is Your name
Abba Father
Holy is Your name
