Life, what a life  
You wonder what's your place  
When you love, when you fall  
You're only one to escape

Cause I feel when you feel  
I know you have no faith  
When you try, when you fight  
But everything can change

When you fall  
When you're lost  
When you're down

It's a miracle, it's a miracle,  
It's a miracle, it's a miracle,

It's my life  
I just wanna feel, I just wanna dream  
It's my life  
I just wanna drift, I just wanna give  
It's my life  
I just wanna feel, I just wanna dream  
It's my life  
I just wanna drift, I just wanna give  
It's my life

Why, tell me why  
We have no time to waste  
No more tears, no more fear  
Cause everything can change

When you fall  
When you're lost  
When you're down  
Yeah, yeah, yeah...

It's a miracle, it's a miracle,  
It's a miracle, it's a miracle,  
It's a miracle, it's a miracle,  
It's a miracle, it's a miracle,

It's my life  
I just wanna feel, I just wanna dream  
It's my life  
I just wanna drift, I just wanna give  
It's my life  
I just wanna feel, I just wanna dream  
It's my life  
I just wanna drift, I just wanna give  
It's my life
