Say you never meant to hurt me.
Say you never meant to make me cry.
Like a fool I thought I could trust you.
What you did, it can't be denied.

Oh-oh-oh, everybody really tried to warn me.
Everything I heard has now come true.
My eyes were closed so I could not see.
The only one you ever loved was you.

Oh, oh, oh, bye-bye Baby, Baby bye-bye.
You ain't gonna steal my pride.
Bye-bye Baby, Baby bye-bye.
A good scare's worth more than good advice... Come
on!

(SOLO = 2 VERSES + BIG INTRO)

If you ever try to call me,
If you ever try to come around,
Don't be surprised when you finally realize,
I'm not that little girl that you once put down.

Oh, I guess you'll be out on the prowl now.
I know you'll find yourself another fool.
She could be the one who puts you under the gun,
And stop all that crazy damage that you do.

Oh, oh, oh, bye-bye Baby, Baby bye-bye.
You ain't gonna steal my pride, no-o-o!
Bye-bye Baby, Baby bye-bye.
A good scare's worth more than good advice.

Oh-oh-oh! Bye-bye Baby, Baby, Baby bye-bye.
No-ah! You ain't gonna steal my pride, no-o-o-o-o-o-o!
Bye-bye Baby, bye-bye Baby, Baby bye-bye.
A good scare's worth more than good advice.

I said a good scare's worth more than good advice.
You know a good scare's worth more than good
advice!

Ow!
