Don't it make you wanna cry
Don't it make you wanna Moan
Don't it make you wanna pack up all your pain
and run away from home?

Hoe...Thats a heavy hurting heartache
Lord,Thats a heavy hurting Time
You can't rest in the darkness
Thats running through your mind

VERSE:

All these years I thought you were true
Now all I own are the tears of a fool
Oh, I heard it on the sly
You've been sleeping around
You've been spreading that seed when the sun goes
down

CHORUS:

VERSE:

I've been living on the highway
You've been living high
Devil stole your conscience
Pulled the wool over your eyes
Oh, black hearted man
Step away from my door
Free ride is over
There's no more mercy no more

GUITAR SOLO

Don't it make you wanna Moan
