I wake up every mornin' to what I'm risin' for
to face any kind of weather, and ride out any storm
one thing you don't mess with
I'll stand up and defy
anyone that tries to drag down
how I choose to live or I choose to die

rock 'n roll is in my blood, never want to spill a drop
but I'll fight to the death, if that's what it takes
I defend what I love

life is a hunger that needs to satisfy
yeah the wants of a man, who needs to testify
all that I stand for and all that I say
I'll stick to my guns, I'll never meet half way
never half way babe

rock 'n roll is in my blood, never want to spill a drop
but I'll fight to the death, if that's what it takes
I defend what I love

rock 'n roll is in my blood (x4)

rock 'n roll is in my blood, never want to spill a drop
but I'll fight to the death, if that's what it takes
I defend what I love

this is rock 'n roll (x2)
