I'll give up my drinkin' and my smokin'
Believe me babe I'm not jokin'
Oh darlin' just wanna be with you

All the thinkin' and all the walkin'
Baby I ain't just talkin'

Well I don't like it when we fight
I lay awake in bed every night
I need to tell you that I'll stay
With you lil' darlin' till my dyin' day

I'll keep on workin' you stop you're flirtin'
I know one thing that's for certain

I need to tell you in every way
I'll stay with you baby till my dyin' day
I lay awake in bed every night
I don't like it when we fight

I'll go on ringin' and keep on singin'
Until you understand my position

Oh darlin' I just wanna be with you
