It's like magic in your pocket
Anything you want
Once you rock you got it
From the dusk 'til dawn
3 am unlock it
Once you start don't stop it
Roller coaster, once you hit the top
You're sure to drop

On your way down
Don't think it'll be easy
It's a showdown
You're like a gladiator
Animalistic behavior
Just an entertainer
You're just an entertainer

There's no pot of gold
At the end of the rainbow
No, don't believe what you're told
Just cuz they say so
You've gotta give it all your love just to not
Give it all up, but you know it's all just a show
There's no pot of gold
At the end of the rainbow, rainbow

It's not so black and white
You're either with them or you're not
Who are you living for just to make it in one shot?
Puppet on a string, sign the line to get your bling
Never really do your think like you think

On your way down

Don't think it'll be easy
It's a showdown
You're like a gladiator
Animalistic behavior
Just an entertainer
You're just an entertainer

There's no pot of gold

At the end of the rainbow
No, don't believe what you're told
Just cuz they say so
You've gotta give it all your love just to not
Give it all up, but you know it's all just a show
There's no pot of gold
At the end of the rainbow, rainbow

Birds fly over the rainbow
But I'm locked in a cage 'cuz they know
I came, I saw, I conquered
If they let me go I won't return

There's no pot of gold
At the end of the rainbow
No, don't believe what you're told
Just cuz they say so
You've gotta give it all your love just to not
Give it all up, but you know it's all just a show
There's no pot of gold
At the end of the rainbow, rainbow
